Dear Ms. Bartlett:

Thank you for your September 9, 2015, letter to the Washington Department of Fish and Wildlife, soliciting review and public comment for the draft Sand and Gravel General Permit.

In response, the Habitat Program's Division Managers and Regional Managers were asked to review the draft permit. The managers did not identify any fish and wildlife concerns.

Thank you for the opportunity to comment on the draft Sand and Gravel General Permit. Please contact Randi Thurston, Protection Division Manager, at (360) 902-2602 or Randi.Thurston@dfw.wa.gov with any questions or requests for additional information.

Sincerely,
